**APPLICANT'S COMMENTS ON EXAMINER'S STATEMENT OF REASONS FOR  
ALLOWANCE**

In the Examiner's Statement of Reasons for Allowance, the Examiner recited portions of the allowed independent claims and stated that prior art could not be located that taught the recited portions. The applications note that it is a well-known tenet of patent law that each allowed patent claim stands alone. Further, although the Examiner has indicated at least one reason for allowance, there can be other reasons that claims are allowable.
